

PRE-REQUISITES

Creation of MIT APP INVENTOR

Team ID	PNT2022TMID26519
Project Name	Smart Farmer-IoT enabled Smart farming application
Team Members	Swetha G, Sanjay Kumar V, Monish Kumar V, Mohana Priya K

Step1: Search for MIT app inventor and login

The image shows the MIT App Inventor website homepage. At the top, there is a navigation bar with the MIT App Inventor logo, a 'Create Apps!' button, and links for 'About', 'Educators', 'News', 'Resources', 'Blogs', and a 'Give' button. There is also a search bar and a 'GOC' link. The main banner features the text 'BECOME AN APP INVENTOR' and 'THE OFFICIAL GUIDE FROM MIT APP INVENTOR'. It includes an illustration of a smartphone displaying a 'Your Guide to Designing and Sharing Apps' screen. To the right of the illustration, it says 'Read the new book...' followed by the title 'Become an App Inventor' by Karen Lang and Selim Tezel, from the MIT Computer Science and Artificial Intelligence Laboratory. A quote from Kirkus Reviews is also present: 'A clear, empowering way to learn app-making'. Below the banner, there are four statistics: 'USERS TODAY: 138.1K', 'USERS THIS MONTH: 1.2M', 'ALL-TIME USERS: 14.9M', and 'APPS BUILT: 67.8M'.
